*"Just want to offer some feedback and our thanks for what was a very enjoyable and successful evening on Friday. Everyone who attended has commented on how enjoyable the evening was. It was an ideal environment given the age range of my guests and the differing level of interest in the game itself. All of us had a great time and the feedback we've had from our guests is some of the best we've had from hospitality events we've hosted."*

*Please can you thank Ella, our waitress, who was absolutely superb!"*
