

## **Maintenance Technician**

Salary dependent upon experience and qualifications.  
Permanent position of an average of 35 hours per week.

Emirates Riverside is an international cricket ground and a major events and hospitality venue. A Maintenance Technician is required to maintain high standards of maintenance throughout the buildings and stadium areas. This will involve working match and event days on a weekend, evening and Bank Holiday.

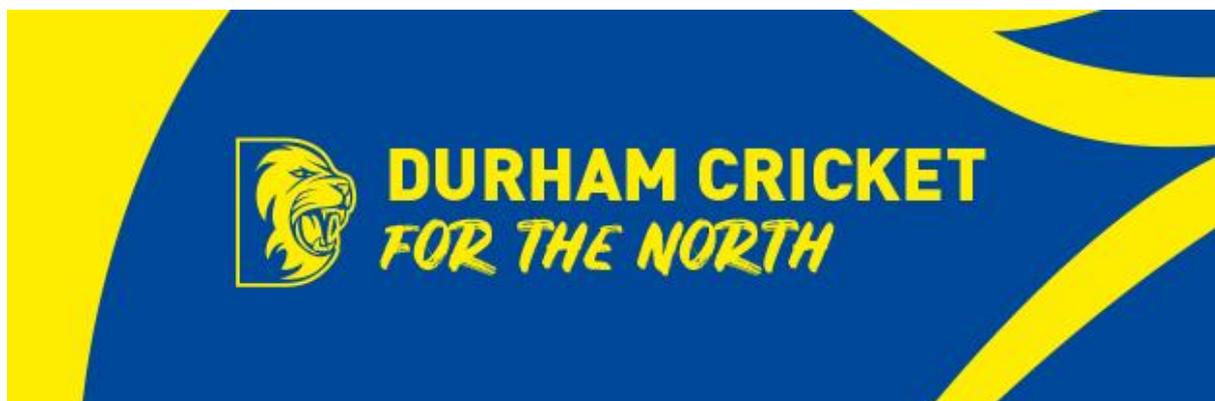

The Maintenance Technician will undertake reactive and planned maintenance tasks consistent with their experience and qualifications. These will include, but not limited to, plumbing, decorating, general building fabric repairs and the operation of plant and equipment. Trade qualifications in electrical, gas services, heating, ventilation or air conditioning could be an advantage and will be reflected in the salary.

The Maintenance Technician will be involved in various project works around the stadium which could be refurbishment work and improvements works

Preparing the stadium for cricket and other events will be a significant part of the role. This will involve setting up furniture and equipment as per the event / match specification.

If you think that you can make a valuable contribution to the team as Maintenance Technician please send your CV and a cover letter detailing how your skills and experience can benefit Durham County Cricket Club along with your salary expectations to [recruitment@durhamcricket.co.uk](mailto:recruitment@durhamcricket.co.uk). Closing date for applications is 31 March 2019.

If you have any queries about the post or would like further information please contact Gary Livsey, Head of Facilities on 07827254934.
