EMPLOYMENT PACK

PHYSIOTHERAPIST

INTRODUCTION AND OVERVIEW OF DURHAM CRICKET

Durham County Cricket Club was established as an amateur Minor County in May 1888. Cricket's most successful Minor County and the first to beat a First-Class County, Durham was awarded first class professional status in December 1991 – the only new First-Class County in over 70 years – and became a private limited company in 2004.

Since 2007 DCCC has won the County Championship three times and been runners up once, won the Fifty Over Competition twice in Lord's finals and appeared twice in T20 Finals Day.

Since becoming a first-class county, DCCC has established English cricket's most successful academy, producing international stars for England, including Steve Harmison, Paul Collingwood, Mark Wood and Ben Stokes

Durham CCC created the first new English Test Match stadium in over 100 years securing a long-term stadium naming rights sponsorship with Emirates Airways. The venue has a 15,000 permanent seating capacity and the Club has staged international cricket every year since 1999, including the successful Ashes Test held in 2013 and three games in the ICC Cricket World Cup in 2019. The Club has been awarded a further package of international matches to 2024.

A successful rebrand in 2018 created a new Durham Cricket identity. Durham Cricket is now the umbrella organisation encompassing all elements of cricket provision in the county covering the professional and recreational game and all activities impacting on the wider community of the county and beyond.

VISION, PURPOSE AND VALUES OF DURHAM CRICKET

BUSINESS DIRECTION, VISION AND VALUES

Durham Cricket has an essential role as the strategic delivery arm of the ECB in north east England. Durham Cricket also has the opportunity to mark out a very distinctive position in the world of cricket through the development and communication of an inspiring common purpose and strong individual identity (the Durham Cricket brand).

Our vision aligns the organisation from Changing Room to Boardroom, bringing together cricketing and commercial goals and resonates with our community (customers).

An effective Durham Cricket brand demands focus, ambition and a consistent approach to everything we do. There is an expectation that all our people will follow the vision, live and breathe the values and adhere to a set of consistent behaviours. These are all set out below.

VISION

Durham Cricket will be recognised as having a winning culture on and off the field achieved by highly engaged people who enjoy working together with pride and passion.

PURPOSE

UNLEASHING POTENTIAL THROUGH CRICKET IN THE NORTH

We care about our club, our business and our brand. The passion and emotion unites us and drives us forward to create opportunities for the north on a national and global stage.

PURSUING EXCELLENCE

We strive to be the best we can be. Continuously improving and pushing ourselves to set higher standards.

UNIQUELY CRICKET

Cricket is at our heart and heritage. It makes us unique and its principles guide everything we do.

BEHAVIOURS

- We are ambitious in the goals we set
- We actively seek and encourage feedback in pursuit of excellence
- We focus on continuous improvement
- We are accountable for our actions
- We catch people doing things right
- We are adaptable and flexible
- We stay true to our vision

DURHAM CRICKET

PHYSIOTHERAPIST

JOB ROLE

Reporting to the Director of Cricket and the Lead Physiotherapist & Science and Medicine Lead, the Physiotherapist will provide physiotherapy services and support to the Professional, Academy and Pathway programme players while representing Durham Cricket. Attendance and service provision for the Second XI at all home and away fixtures, as well as training sessions, will be required. The role will involve working as part of a multi-disciplinary team to deliver best practice and achieve the objectives of the Sports Science and Medicine team at all times.

The successful applicant will demonstrate high-standard clinical skills, and preferably will have experience working in a team environment with elite athletes / high performing-teams. Previous experience working within cricket is beneficial but not essential. While the role will be supported by the Lead Physiotherapist & Science and Medicine Lead, the successful applicant must be able to work autonomously and will show a commitment to continuing professional development and growth. An interest in cricket is important. Registration with the HCPC and Chartered Society of Physiotherapists is essential.

The role will also involve working with the coaching and administrative staff to further enhance the culture of Durham Cricket and its high-performance environment by upholding the club values and behaviours. Extended hours and regular travel throughout the UK during the County season (April-September) including weekends and Bank holidays is required. The post holder will be based at Durham Cricket at the Emirates Riverside in Chester-le-Street.

When appropriate, liaise with the ECB's Science and Medicine Team regarding support and management of current and potential England international squad and pathway programme players from Durham Cricket.

Discuss with the Strength and Conditioning (S&C) Coaches and Science and Medicine Lead regarding appropriate warm-up and recovery strategies to be implemented by the Physiotherapist in the absence of the S&C Coach at any Second XI fixtures.

Work in collaboration with the Science and Medicine Lead and S&C Coaches to deliver bespoke injury prevention programmes and ensure ongoing conditioning of the Second XI and Academy players throughout the season.

Discuss injury assessment findings and concerns with the Lead Physiotherapist or where appropriate, the Club Medical Officer at the end of the day / match.

Work closely with the Lead Physiotherapist & Science and Medicine Lead, and Club Medical Officer in the management of complex injuries to ensure the highest quality of evidence based care for the Professional, Academy and Pathway programme players.

Promptly record all injury consultations and rehabilitation programs on the ECB electronic injury database. All documentation must be of an excellent standard and within medical legal guidelines.

In collaboration with the Science and Medicine Team, and coaching staff, monitor, review and manage individual player's workloads and wellbeing on a daily / weekly basis with formal review at monthly multi-disciplinary support staff meetings.

Assist in the delivery of in season rehabilitation and injury management to injured Professional and Academy players based at Emirates Riverside, ensuring all players are accommodated when the Lead Physiotherapist is travelling with the First XI.

Assist the Lead Physiotherapist & Science and Medicine Lead, and S&C Coaches in the development and implementation of daily recovery strategies to enhance the preparation and performance of Durham Cricket players during the course of the demanding playing season.

Attend monthly Durham Cricket multi-disciplinary team meetings to assist in the delivery of player case conferencing and injury updates as well as contributing to the performance of the team.

Undertake regular professional development to enhance knowledge of best practice models of injury prevention and management, and participate in the annual ECB Medical Conference.

Active involvement in Durham Cricket Science and Medicine Team inservices, quality projects, and research and development activities.

Note: The job description summarises the major roles and responsibilities of the job. It is not intended to exclude the job holder being asked to undertake any other activities as required from time to time by the Director of Cricket or the Lead Physiotherapist & Science and Medicine Lead, nor future changes to the job holder's responsibilities.
