RIVERSIDE**

“

“I wanted to say a huge thank you, to you and your team for all of your help and support with our surgical conference. It was a huge success and everything ran smoothly. Wendy looked after us so well - she was helpful and even managed to find speakers for us to enhance the experience for colleagues joining the call via Teams. Nothing was too much trouble and I think that she should be nominated for an award! The room, catering, Wi-Fi and parking were excellent - so good that we have rebooked our next event already. Please extend our thanks to all staff.”

South Tees Hospital NHS Foundation Trust, 28th May 2022.
