SEAT UNIQUE RIVERSIDE · DURHAM CRICKET

*"the location, view and standard of the room were excellent..."*

"This was our first event outside of a big city venue, and the location, view and standard of the room were excellent. However, the biggest selling point was the staff - from making the first request for info via email, through to finding us some batteries for our presentation clicker, and the serving staff on the night.

Everyone was great; it shows that all staff buy into the philosophy and the standards that you have there, and it is bucking the trend, unfortunately, these days.  
Thanks and well done."
