INTRODUCTION:

WE ARE DURHAM CRICKET FOUNDATION

We are the official charity and community arm of Durham Cricket, dedicated to supporting our communities and growing our game.

Our work is focused around two key objectives: **to ensure recreational cricket in the region thrives** - we act as the governing body of the sport in the region and support 101 cricket clubs - **and we design and run programmes around the real needs of the community**, investing in people's futures and creating opportunities that go beyond the game.

Through our initiatives we reach and impact the lives of thousands of people within the region through the power of cricket and crafts.

**OUR WORK SUPPORTS LOCAL
PEOPLE & GROWS OUR GAME.**

OUR MISSION

A group of children are playing a ball game on a field. They are wearing various colored shirts (red, blue, yellow, green) and are in a crouched position, ready to catch or throw the balls. The balls are orange and yellow. The background shows a green fence and trees under a clear blue sky. The text 'OUR MISSION' is overlaid on the top left, with 'OUR' in yellow and 'MISSION' in white. Below the title, there are two yellow arrows pointing right. At the bottom, there are two blue boxes with white text.

**TO ENSURE RECREATIONAL
CRICKET IN THE REGION THRIVES**

**TO DESIGN PROGRAMMES AROUND
THE REAL NEEDS OF THE COMMUNITY**
